SECTION II- INFORMATION TO CONSULTANTS

2.1 Introduction

- 2.1.1 The County Government of Kilifi, Department of Lands, Energy, Physical Planning, Housing and Urban Development will select an individual consultant among those invited to submit proposals or those who respond to the invitation for proposals in accordance with the method of selection detailed under this section and consistent with the regulations.
- 2.1.2 The consultants are invited to submit a technical proposal and a financial proposal for consulting services required for the assignment stated in the letter of invitation (Section I)
- 2.1.3 In the assignment where the procuring entity intends to apply standard conditions of engagement and scales of fees for professional services, which scale of fees will have been approved by a relevant authority, a technical proposal only may be invited and submitted by the consultants. In such a case the highest ranked individual consultant in the technical proposals shall be invited to negotiate a contract on the basis of the set scale of fees. The technical proposals will be the basis for contract negotiations and ultimately for a signed contract with the selected individual consultant.
- 2.1.4 The consultants must familiarize themselves with local conditions as regards the assignment and take them into account in preparing their proposals. To obtain adequate information on the assignment and on the local conditions, consultants are encouraged to liaise with the procuring entity regarding any information that they may require before submitting a proposal.
- 2.1.5 The client will provide the inputs and services specified in the special conditions of contract needed to assist the individual consultant to carry out the assignment.
- 2.1.6 The cost of preparing the proposal and negotiating the contract including any visit to the procuring entity are not reimbursable as a direct cost of the assignment. The procuring entity is not bound to accept any of the proposals submitted.

2.1.7 The procuring entity's employees, committee members, board members and their relative (spouse and children) are not eligible to participate in the tender.

2.2 Clarification and amendment to the RFP documents

2.2.1 Individual consultant may request clarification of any of the RFP documents not later than Seven (7) days before the deadline for the submission of the proposals. Any request for clarification must be sent in writing by post, fax or email to the procuring entity's address indicated in the special conditions of contract. The procuring entity will respond by post, fax or email to such requests and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all individual consultants invited to submit proposals.

2.2.2 At any time before the deadline for submission of the proposals, the procuring entity may for any reason, either at its own initiative or in response to a clarification requested by an intended individual consultant amend the RFP. Any amendment shall be issued in writing, fax or email to all invited individual consultants and will be binding on them. The procuring entity may at its discretion extend the deadline for the submission of the proposals.

2.2.3 Clarification of tenders shall be requested by the tenderer to be received by the procuring entity not later than 7 days prior to the deadline for submission of tenders.

2.2.4 The procuring entity shall reply to and clarifications sought by the tenderer within 3 days of receiving the request to enable the tenderer to make timely submission of its tender.

2.3 Preparation of proposals

2.3.1 The individual consultant's proposal shall be written in English language.

2.3.2 In preparing the Technical proposal, the individual consultants are expected to examine the documents consisting the RFP in detail. Material deficiencies in providing the information requested may result in rejection of a proposal.

2.3.3 While preparing the Technical proposal, the individual consultant must give particular attention to the following:

- (a) If an individual consultant considers that he/she does not have all the expertise required for the assignment he/she may suggest in the proposals other individual(s) who will assist in the assignment but they will not be party to the contract for the purpose of the performance of the assignment. An individual consultant will not propose other individual consultants invited to submit proposals for the assignment. Any individual consultant in contravention of this requirement shall automatically be disqualified.
- (b) For all the staff who will be involved in the exercise of the proposals to consultant must indicate their responsibility in the assignment and also the staff time as necessary.
- (c) The curriculum vitae (CV) of the staff proposed must be submitted with the proposal.

2.3.4 The Technical proposal shall provide the following information;

- (a) The individual consultants CV and a brief of any recent experience of assignment of a similar nature. For each assignment the brief should indicate the profiles of staff involved, contract amount and the individual consultants involvement.
- (b) An expression on the understanding of the terms of reference
- (c) A financial proposal detailing the costing of the work to be done
- (d) A description of the methodology and work plan for performing the proposed assignment.
- (e) Any additional information requested in the special conditions of contract.

2.3.5 The Technical proposal should contain the detailed information as requested above that is a clear understanding of the Term of Reference and the financial proposal of the project.

2.4 **Financial Proposal**

2.4.1 In preparing the financial proposal, the individual consultants are expected to take into account the time required in completing the assignment as outlined in the RFP documents. The financial proposal will therefore be quoted in fees per day or month. The financial proposal may also include other costs as necessary, which will be considered as reimbursable.

- 2.4.2 The Financial proposal should include the payable taxes.
- 2.4.3 The fees shall be expressed in Kenya Shillings.
- 2.4.4 The Financial proposal must remain valid for 90 days after the submission date. During this period the individual consultant is expected to keep available at his own cost any staff proposed for the assignment. The procuring entity will make best efforts to complete negotiations within this period. If the procuring entity wishes to extend the validity period of the proposals, the consultants who do not agree, have the right not to extend the validity of their proposals.
- 2.4.5 The financial proposal must comply with the law governing the profession of the consultant.

2.5 Submission, Receipt and Opening of Proposals¹

**TERMS OF REFERENCE: CONSULTANCY SERVICES ON THE DEVELOPMENT
OF AN ENERGY REGULATION AND LICENSING FRAMEWORK IN KILIFI
COUNTY**

1.0 INTRODUCTION

Kilifi County has a huge potential for renewable energy development as evidently represented in the County Resource Mapping Report. Given the highly rising number of unlicensed and unregulated petroleum business activities in the county, there is need to develop a licensing framework for renewable energy technologies and petroleum regulations pertaining to the midstream (storage, refining and transportation) and down-stream (supply and distribution) operations in the county. The regulations will enable the county government to enforce standards for efficiency and safety as well as unlock potential for revenue generation and employment creation

The Constitution 2010 provides for a two tier structure of government, namely: the National and County Governments. In relation to the County Governments, Part 2 of the Fourth Schedule of the Constitution provides that County Governments shall be responsible for county energy planning, energy regulations & licensing and energy development including electricity and gas reticulation. Part II of the Energy Bill 2018 further consolidates the functions of national and county governments. Pursuant to Article 186(2) of the Constitution, energy planning and energy regulation, licensing incorporating petroleum, coal, renewable energy and electricity is a concurrent role of both the National and County Governments but at their respective jurisdictional levels.

The County Government Act, 2012, AN ACT of Parliament gives effect to Chapter Eleven of the Constitution; to provide for county government powers, functions and responsibilities to deliver services and for connected purposes.

2.0 SCOPE OF WORK
